There once was a frog named Jumpin' Jake
Who lived in Louisiana
He was jumping around one night by a pond
And making up a brand new song
All of the other frogs started rockin' back and forth
And listening to Jumpin' Jake's song
The little fireflies flashed off and on their lights
And everyone sang along
And they sang

CHORUS

Hey boppa, ooo boppa, ooo ooo boppa
Hey boppa, ooo boppa, ooo ooo boppa
Hey boppa, ooo boppa, ooo ooo boppa
Singin' Jumpin' Jake's song

All of the other animals in the woods near by
Came down to listen to the song
Rita Rabbit brought her fiddle and accordion
And everybody sang along
Then a fox and a possum, a skunk and raccoon
Started dancing around and around
The owl in the tree sang "hoot hoot hoot"
And everybody sang along
And they sang

CHORUS

BRIDGE

Oh what a delightful sight
Oh what a happy sound
Everybody singing and dancing together
Down by the pond

So clap your hands get up and dance
And sing on Jumpin' Jake's song
You can teach it to your friends, your neighbors and then
Everyone can sing along
And we'll sing

CHORUS
